

Curriculum Vitae

Estiak Ahmed

Jr. Software Engineer

01720151612

estiakahmed898@gmail.com

ECB Chattar, Dhaka Cantornment, Dhaka

Professional Summary

Motivated software engineer with 3 years of experience in full-stack web development and digital solutions. Proven expertise in creating scalable, high-performance applications and optimizing user experiences through strategic design and development. Skilled at implementing secure authentication processes and advanced frontend/backend integrations, contributing directly to improved application reliability and user satisfaction. Passionate about continuous learning, collaboration, and leveraging technology to drive meaningful product innovation and impactful digital experiences.

Skills

JavaScript, TypeScript, Python, React.js, Next.js, Tailwind CSS, Figma, MySQL, MongoDB, PostgreSQL, Redux, React Router, Axios, REST APIs, Git, Webpack, Vite, React Testing Library, DSA – Strong grasp of Arrays, Trees, Recursion, Sorting, Searching, Teamwork & Collaboration, AI Prompt Engineering, LLM And Integration.

Experience

Jr. Software Engineer – Birds of Eden (06/2024 - Present)

At Birds of Eden, I contributed as a Next.js developer, focusing on frontend and backend development using JavaScript & TypeScript, Tailwind CSS, and Next Auth for authentication. I played a key role in building and optimizing web applications, enhancing user experiences, and ensuring secure authentication workflows. Additionally, I collaborated with the team to debug, optimize performance, and implement scalable solutions, maintaining high coding standards and efficiency.

Senior Executive SEO Support – Aan-Nahl Software (03/2022 - 06/2024)

At Aan-Nahl Software, I was part of the ORM Team, focusing on WordPress development, Web 2.0 strategies, and asset creation. I contributed to building and managing dynamic WordPress websites, optimizing for performance and SEO. Additionally, I developed Web 2.0 properties, created digital assets, and enhanced online reputation through strategic content and design improvements.

Education
